

PROGRAM
Delegation Trip “Automotive Industry” to Baden-Württemberg
25. – 26. März 2026

Day 1	Wednesday, 25 th März 2026
06:25 – 09:40	Flight Tallinn – Stuttgart (SAS)
06:30 – 09:40	Flight Riga – Stuttgart (SAS)
06:30 – 09:40	Flight Vilnius – Stuttgart (SAS)
10:00 – 11:30	<i>Transfer to Trumpf AG</i>
11:30 – 14:00	<p><i>Trumpf AG factory visit (inclusive Lunch)</i></p> <p>Trumpf is one of the market and technology leaders in machine tools and lasers for industrial production, and its innovations are effective in almost every industry. Their software solutions pave the way to the smart factory, and in industrial electronics they enable high-tech processes. TRUMPF was founded in 1923 as a mechanical workshop and has developed into one of the world's leading companies for machine tools, lasers and electronics for industrial applications. In the 2022/23 financial year, the company generated sales of 5,364.5 million euros with 18,352 employees.</p> <p><i>Berthold-Leibinger-Straße 11, 72513 Hettingen, https://www.trumpf.com/de</i></p>
14:00 – 15:30	<i>Transfer to Festo-Technologiewerk in Scharnhausen</i>
15:30 – 17:30	<p><i>Festo-Technologiewerk in Scharnhausen factory visit</i></p> <p>The Festo Technology Plant in Scharnhausen is a modern production facility of automation specialist Festo SE & Co. KG near Stuttgart. Covering approximately 66,000 m², the plant manufactures pneumatic and electronic components such as valves and electronics modules. It represents Industry 4.0 production, energy efficiency, sustainability, and flexible manufacturing, and also serves as an innovation and learning hub.</p> <p><i>Plieninger Str. 50, 73760 Ostfildern, https://www.festo.com/ee/en/</i></p>
17:30 – 18:15	<i>Transfer to hotel</i>
18:15 – 18:30	<p><i>Check-in at „Motel One Stuttgart-Mitte“</i></p> <p><i>Lautenschlagerstraße 14, 70173 Stuttgart, stuttgart-mitte@motel-one.com</i></p>
19:00 – 19:30	<i>Transfer to restaurant Brauhaus Schönbuch in Stuttgart Old Town</i>

19:30 – 22:00	Joint dinner+networking with representatives of Baden-Württemberg International at Brauhaus Schönbuch in Stuttgart OldTown <i>Bolzstrasse10, 70173 Stuttgart, Germany</i>
22:00	<i>Walk to Motel One Stuttgart-Mitte</i>
	Overnight stay at „Motel One Stuttgart-Mitte“ <i>Lautenschlagerstraße 14, 70173 Stuttgart,</i> https://www.motel-one.com/en/hotels/stuttgart/hotel-stuttgart-mitte/

Day 2	Thursday, 26 th März 2026
	<i>Breakfast and Check-Out</i>
08:30 – 09:30	<i>Transfer to Bosch in Feuerbach</i>
09:30-12:00	Bosch in Feuerbach The Bosch plant in Stuttgart-Feuerbach is one of the oldest and largest locations of the Group, bringing together production, development, and IT. The site primarily manufactures high-pressure pumps as well as components for powertrain and exhaust aftertreatment systems within the Mobility Solutions sector. Of particular note is the site's role as a pioneer in the implementation of Industry 4.0, featuring highly interconnected and digitized manufacturing processes. Digital tools such as the Active Cockpit ensure transparency and real-time control in production. This is complemented by smart industry solutions such as AI-supported analytics and a private 5G campus network. As a result, Feuerbach is regarded as a reference site for intelligent, flexible, and efficient industrial production at Bosch. <i>Wernerstraße 51, 70469 Stuttgart (Feuerbach), Germany</i>
12:00- 12:30	<i>Transfer to Restaurant</i>
12:30 – 13:30	<i>Lunch at restaurant</i>
13:30– 14:00	<i>Transfer to Daimler AG/ Mercedes-Benz Factory</i>
14:00 – 16:30	Daimler AG/ Mercedes-Benz Factory In Stuttgart the heart of the automobile company is located. The Mercedes-Benz factory visit provides insights into the future of the automotive industry. The factory of Daimler in Stuttgart/Sindelfingen with its wide history is the most traditional centre of competence in the sector of e-vehicle production. The factory defines the future lab for innovative technologies in production and processes in the context of Industry 4.0 and Smart Factory.

	<i>Mercedes-Benz Customer Center, Käsbrünne Strasse, 71063 Sindelfingen, www.truck.man.eu/de/en/index.html</i>
16:30 – 17:30	<i>Transfer to Airport</i>
20:20 – 01:25	Flight Stuttgart – Tallinn (SAS)
20:20 – 01:25	Flight Stuttgart – Riga (SAS)
19:20 – 00:55	Flight Stuttgart – Vilnius (SWISS)
